# STERLING® PREMIUM DIGITAL™

## Premium optics, budget-friendly

With 96 brightness and an exceptional printing surface, Sterling® Premium Digital™ is the digital premium without the premium price tag. It's the same legendary Sterling® standard you know and trust for steadfast consistency, tried-and-true reliability on press and budget-friendly pricing. Available in a full range of finishes, weights and sizes, there's even a version made specifically for HP Indigo presses.
