Brilliant images that last even in the toughest environments.

Use Thermanent® for applications that require extra strength and durability.

Features

Thermanent is a polyester sheet made with strength and durability in mind. Its unique dry toner receptive coating won't scratch off in even the harshest environments.

Benefits

- › Beautiful permanent images even in the harshest environments
- › Waterproof, weatherproof, tear proof and resistant to chemicals and grease
- › Strong polyester base stock prevents shrinking and swelling when exposed to the high heat associated with digital printing
- › Eliminates the need for costly lamination
- › Perfs and punches beautifully
- › Excellent opacity
- › Chemical-resistant
- › Incredible tear strength
- › Prints and looks like regular paper
- › Extremely durable, yet very flexible and lightweight
